MEMBER OF THE NWSS PEN OF THREE

"TIRED OF BUYING BULLS THAT MELT AWAY? TIME AFTER TIME OUR CUSTOMERS TELL US THAT OUR BULLS LOOK JUST AS GOOD IN JULY AS THE DAY THEY BOUGHT THEM."

All cattle raised in our no creep, low input, survival of the fittest environment • Bulls are developed on a true high roughage, high fiber ration, and are not "dry lot" developed • They run on corn stalks and develop slowly on a 42 Mcal ration • Bulls are hard muscled, athletic and will have passed a semen test • We do not trim feet - PERIOD! • The Frenzen's have been in the seedstock business and performance testing for over 50 years
